Bishop Wilbert L. Baltimore, Ph.D.
Senior Bishop & General President

March 12, 2020

Bishop Sterling V. Porter, III
First Vice Bishop & National Supervisor

Greetings,

This letter comes to you on behalf of our Chief Apostle concerning our Leadership Summit scheduled for March 19 – 20, 2020. In light of the health pandemic spawned by the Corona Virus (COVID-19) and the executive orders also given by the governor of Maryland, a decision has been made to cancel our Summit. The decision was made considering what was best for our congregations and others who would be fellowshiping with us during the Summit, as we would not want anyone to be in harm's way. Those you who have registered online or by mail in can expect to be refunded in 3 – 5 days. We want to thank you for your support.

We will continue to pray for our nation, our churches, our families and everyone all over the world. Yes, we are a people of faith and not fear, but we also want practice and take the necessary precautions while walking in our faith. Remember to always check the CDC and your local health departments website to stay informed. May God continue to bless and keep you.

Grace and Peace,
Apostle John D. Washington
